DIRECTIONS

Preheat oven to 250 degrees.

Using 2 of the large grocery bags, pour half of each of the dry ingredients into each bag. Use the 2 empty grocery bags to mix the dry ingredients back and forth a few times. Be very gentle so as not to crush the cereal.

Mix and melt the sauce ingredients together on stove top or microwave. Drizzle over each pan, stirring well.

Bake for 1 hour, stirring every 15 minutes. Cool and store in air tight containers or in the freezer until needed!
